

Let Your Smile Shine Through.

Straight teeth and a healthy smile are investments that last a lifetime. Be sure to speak to your orthodontist about the importance of good oral hygiene and maintenance of your braces throughout treatment. To find out more about Mystique MB, speak to your orthodontist to learn if this system is right for you.

Suddenly,
there's a lot to
smile about.

Mystique® MB. Look great. Feel great. Let your smile shine through.

Picture this: Braces that make you look and feel good, too!

Flaunt that awesome smile for the camera. You've got nothing to hide. Mystique® MB braces are virtually invisible. So when someone says cheese, you won't be flashing a mouth full of metal – you'll be showing off a smile beaming with confidence.

Mystique MB braces are also designed to be more comfortable than metal braces. In fact, you may even forget that you're wearing them! Great look. Cool comfort. No pressure.

If that sounds like music to your ears, listen to this – you can have the picture perfect smile you've always dreamed of.

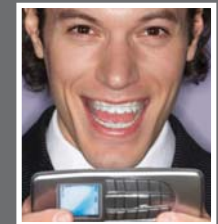

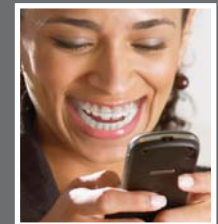

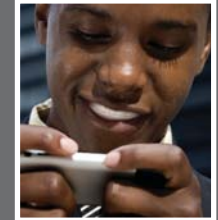

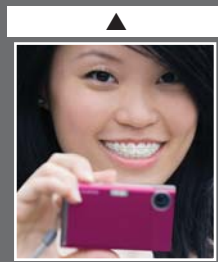

*Show off your smile,
not your braces.*

*So comfortable,
you'll hardly even know
you're wearing them.*

*Made to match practically
every tooth shade.*

*The clear choice for a
picture perfect smile.*

Choosing the right braces is an important decision, so ask your orthodontist if Mystique MB is right for you. Remember, Mystique MB braces will give you a fabulous look during your treatment, and a brilliant smile afterward. And that is definitely something to smile about.
